Semester Year Year INTERNSHIP HOURS WAIVER FORM Emailed with DPR and Resume to obtain permission number to register (ACKNOWLEDGEMENT OF ALTERNATIVE ASSIGNMENTS) NO PLACEMENT REQUEST IS REQUIRED IF REQUESTING A WAIVER

This form is an acknowledgement that due to continuing restrictions based on the COVID-19 crisis which resulted in limited placements available with area agencies, and/or because of personal concerns about the continuing possibility of exposure to COVID-19, you have selected the Alternative Assignments instead of an actual placement for internship hours with a Criminal Justice or related organization.

Do not submit this form if you already submitted an INTERNSHIP PLACEMENT REQUEST asking for placement or indicating that you have already found an agency on your own that will accept you as an intern.

Currently, students accepting an internship requiring a physical presence do so at their own risk. Agencies also have COVID-19 related policies that may differ from those of the university.

This waiver form and accepting alternative assignments that are posted in each internship section on CANVAS may be your safest option. The alternative assignments are designed to closely match the exposure to agency operations and functions, including the requirements for various positions, both sworn and non-sworn with CJ and related agencies.

I hereby acknowledge that due to continuing restrictions based on the COVID-19 crisis which has resulted in a limitation on placements available with area agencies, and/or because of personal concerns about the continuing possibility of exposure to COVID-19, I have selected the Alternative Assignments instead of an actual placement for internship hours with a Criminal Justice or related organization.
