Interim Dean's Message

May 20, 2022

Dear Graduates:

Congratulations to you, the Class of 2022. You are among a select group of people in the United States who are graduating from college. Your accomplishments deserve recognition, and I am pleased to join your family and friends that have come to celebrate this milestone in your life. You all make us very proud.

Today you are crossing the line between student and alum, between one phase of your lives and the next. This afternoon, your new journey will begin, and it will take you into the world. I would remind you that the world we live in now is different than it was when you arrived at Fresno State, and it will change much more in the years ahead. I am heartened that the education you received here has not only equipped you with the knowledge you need to succeed in your careers, but has also taught you how to live and thrive in a changing world. So, I have no fear you will define your own path and take your place in the world. At every stage of your journey, always remember to appreciate and thank those who helped you along the way.

On behalf of the faculty and staff of the College of Social Sciences, we wish you continued success in your professional careers and may your lives serve as role models to inspire and guide the next generation of leaders.

Sincerely,

Segun Ogunjemiyo
